

Biden / Trump ON THE ISSUES

Education Funding

BIDEN – supports tripling funding for Title I, eliminating funding disparities between schools, ensuring families have access to support services and modernized school buildings, and increasing the federal government’s investment in educators.

TRUMP – supports cutting education programs by \$5 billion to fund a federal voucher program for private school scholarships.

COVID-19 Response

BIDEN – has a comprehensive plan that would provide “free public testing and rapid deployment of supplies, as well as economic measures such as emergency paid leave and the creation of a state and local emergency fund

TRUMP – rejecting science and the realities of the pandemic, Trump and his administration failed to prepare the country for the virus.

School Reopening

BIDEN – recommends that federal resources are made available that “support personal protective equipment and enhanced sanitation efforts; alterations to classrooms, schedules, class sizes, and transportation so students can physically distance;

TRUMP – has demanded that schools reopen to in-person classes or he “may cut off funding” and give parents vouchers.

Workers’ Rights

BIDEN – will create a cabinet-level working group to promote unions.

TRUMP – supports decreased labor protections, rolled back worker safety and weakened federal unions.

Racial & Social Justice

BIDEN – has more than a dozen proposals to expand Black, Brown, and Native families’ access to affordable housing, higher education, fair compensation, and clean energy.”

TRUMP – has dismantled the civil rights offices at the Departments of Education and Justice, rolled back guidance on racial disparities in school suspensions, and eliminated protections for transgender students.

College Affordability

BIDEN – would make public colleges and universities tuition-free for all families with incomes below \$125,000.

TRUMP – tried to cut more than \$2 billion in FY2021 in federal student financial support.
