Fighting for Job Justice for Educational Support Professionals

A-631/S-993

What will it do?

**A-631/S-993** would extend to nonteaching employees of local, county, or regional school districts, boards, or commissions the right to submit to binding arbitration any dispute regarding whether there is just cause for a disciplinary action.

Current Status

**A-631** and **S-993** have passed the Assembly and Senate, respectively. In both cases, they passed with overwhelming bipartisan majorities. Now this legislation heads to Gov. Murphy for his signature, so it can become law and NJEA members will finally have these important and hard-won rights.
